About the Institute

SR Engineering College, Warangal was established in the year 2002 by SR Educational Society with an aim to provide quality education. The college is affiliated to JNTU, Hyderabad. It has 5 Undergraduate (B.Tech) and 5 Postgraduate (M.Tech) Engineering Programs in addition to Master of Business Administration (MBA) and MBA(Integrated). The College has been granted Autonomous Status by University Grants Commission (UGC) in 2014, Accredited by NAAC with 'A' Grade in 2015 and programs Re-accredited by NBA in 2015.

Through active Industry cooperation, SREC has established multiple centres including CISCO Networking Academy, Micro Soft Innovation Centre, IBM Centre of Excellence, Centre for Entrepreneurship Development, Industry Institute Partnership Cell, Cognitive Science Centre, Centre for Teaching & Learning, IUCEE and EPICS Centre for Nurturing specific skill sets for better employability. To shape and transform the SREC graduates to meet challenging and complex engineering tasks globally, the institution has built and fostered relationship with reputed Universities abroad. The faculty are highly motivated and the institution has ambitious plans for growth and encourages innovative practices in teaching and learning process. The institution has several ongoing and completed research projects in diverse fields of research sponsored by funding agencies of Government of India.

About the Department (s)

The department of ECE, EEE and CSE are accredited by NBA, New Delhi for 3 years from 2015. The departments are equipped with the state of the art equipments to conduct labs, consultancy and research. The departments have spacious rooms for conducting theory and tutorial classes. All departments have qualified, experienced and adequate faculty to run the various programs. National/International conferences are organized by the departments yearly/biyearly to bring scientist, engineers and research scholars together to share the current technologies /innovations besides networking together with each other for professional growth.

About the Conference

The aim of the Conference is to bring scientists, researchers, educationalists and developers together to disseminate their research advancements and inventions, to network and exchange ideas in order to strengthen existing partnerships and foster new collaborations and focuses on both theory and applications in the broad areas of Electronics, Electrical and Computing Technologies.

Call for Papers

Papers are solicited from, but are not limited to the following Topics:

- Power Generation
- Power Electronics
- Operation & Control
- Distribution systems
- Smart Grid
- Hybrid databases
- IOT and Cyber Physical System
- Technology to Bridge Rural and Urban Divide
- Low-power and thermal-aware design
- Analog and mixed-signal IC design
- Design for variability, reliability, and test
- Robotics
- MEMS
- Optical Communications
- Image Processing
- Mobile Computing
- Cloud Computing
- Data Mining
- Big Data
- High Performance Computing
- Neural Network
- Virtual Reality
- Web Crawlers
- Wireless/Mobile Communications
- Electrical and hybrid vehicle
- Engineering innovation for healthcare system
- Networked Embedded Systems
- Embedded Intelligence
- Embedded Applications

Warangal City -Tourism:

Warangal is rich in Historical and Cultural heritage. It is known for its magnificent lakes, temples and wildlife. Warangal is well connected by rail and road to various places. The nearest airport is situated in Hyderabad, which is around 140km away from Warangal city. It is also a pilgrim centre. The participants can visit places of tourist interest such as 1000 Pillar Temple, Badrakali Temple, Fort Warangal, Ramappa Temple, St. Xavier Catholic Church, Holy shrines of sufi saints, Bhogatha waterfalls and Laknavaram Lake.

About the Location & Route Map:

The Institute is located on Warangal- Karimnagar highway, 148 Km from Hyderabad & 15 Km from Hanamkonda and housed in a sprawling, lush green well-planned in 145 Acres of land near Ananthasagar.

Jointly Organized by
Departments of ECE, EEE and CSE

In Technical Collaboration with

IEEE Hyderabad Section

ACCS (Partner Society of IEEE Computer Society)

GUIDELINES TO AUTHORS:

Papers should be strictly confined to the IEEE format and submitted through easy chair as mentioned in www.icrteect2017.org. All accepted and presented papers of the Conference will be submitted to IEEE Xplore and the IEEE Computer Society Digital Library (CSDL).

REGISTRATION FEES:

Category	Amount In (INR)	Amount In \$
Students	4,000/-	\$60
Research Scholars	5,000/-	\$75
Academicians	6,000/-	\$100
Industry Participants	6,000/-	\$100

REGISTRATION DETAILS:

Registration form and Conference Template can be obtained from www.icrteect2017.org

Please note that no TA/DA will be paid for attending the Conference. The fee covers Conference Kit, Proceedings CD, Certificate of Participation, Refreshments and working Lunch.

IMPORTANT DATES:

Paper Submission Opens	25.10.2016
Paper Submission Deadline	30.03.2017
Notification of Acceptance (Final)	30.04.2017
Submission of camera ready paper due with registration by paper presenting author	15.05.2017
Last date for registration by delegates	18.05.2017
