Community Partner: BHAGYA LAKSHMI CEMENT WORKS:Mr. Venkateshwarlu, chair person of bhagalakshmi cement works, prepared the poles and plates in required dimensions and ensured that this materials gives more strength which exist in wall bricks.

Abstract: Now a days as the lack of lavatory is the major burning issue. There is essential need for the lavatory which can be constructed at low cost and in a very easy process .As this project can be done at low cost and easy process, it is very effective in the society. Hence we conclude that the project is very economical and useful for the students who are facing the problem of lack of lavatory.
