Community Partner: Municipal Health Officer Of GWMC (Dr.B.RAJA REDDY M.B.B.S)

Abstract:

The municipal corporation is responsible for collecting the waste from home. Generally the people don't separate the dry and the wet waste. The municipal corporation person while collecting the waste from home has to separate it and then load them in different bins. Our product aims to overcome the problem faced by municipal people of separating the dry and wet waste. It provides a way of separating the dry and wet waste at home.
