Community Partner: Mrs. Fathima, Fruit Vendor, KU Cross Road, Warangal.

Abstract:

Fruit selling a common profession in Warangal. It is one of the means of livelihood for Warangal region people. One of the problem faced by these fruit vendors is that the fruits get rotten because of improper storing techniques they adopt. Our product aims to solve this solution by developing a Fruit vending stand which is movable, adjustable and has a cooling unit through power supply which prevents the fruits from getting rotten.
